# 2018 SLIGO ENGINEERING EXPO

IN ASSOCIATION WITH

abbvie

**The Sligo Engineering Expo is** an interactive, information sharing event which is an exciting collaboration between IT Sligo and Industry

**The Expo is a chance** for potential engineering students to gain knowledge of companies, interact with alumni and network with professional engineers. Participants at the Expo include Fortune 500 industry leaders, indigenous industry and companies of all sizes from across Ireland.

**The Expo is open to the public** and we encourage public engagement throughout the event. Our mission is to connect students, industry and the community and inspire future generations of engineers.

**The Expo is held in the Knocknarea Arena**, within the grounds of IT Sligo, just off the N4, having a 2,000 capacity, ample parking as well as, good bus routes and rail links close by.
