

Circular 0066/2020

To: The Higher Education Authority for dissemination to all Institutes of Technological University Dublin, all Institutes of Technology, the National University of Ireland, the Royal Irish Academy, Mary Immaculate College of Education, the National College of Art and Design and St. Angela's College

Public Service Stability Agreement 2013 – 2020 and the Public Service Pay and Pensions Act 2017 – Application of revised rates of salary with effect from 1 October 2020

1. The Minister for Education and Skills and the Minister for Further and Higher Education, Research, Innovation and Science wishes to inform of the application of revised rates of salary with effect from 1 October 2020.
2. The revised salary rates have been introduced as a result of the Public Service Stability Agreement 2013 – 2020 and the Public Service Pay and Pensions Act 2017.

Salary Increase with effect from 1 October 2020

3. Under the terms of the Public Service Stability Agreement 2018 – 2020, whole-time annual basic salaries are increased by 2% with effect from 1 October 2020.
4. Increased salary scales with effect from 1 October 2020 are attached at Appendix 1 of this Circular as follows:
 - Institutes of Technology and Dublin Institute of Technology = Page 6 - 19
 - Mary Immaculate = Page 19 - 22
 - National College of Art and Design = Page 22 - 26
 - St. Angela's College of Home Economics = Page 26 – 29

The National University of Ireland and Royal Irish Academy are also advised that annual basic salaries are to be increased on the same basis.

5. All salary scales and hourly rates payable to affected staff set out in previous Circulars are superseded by the terms of this Circular with effect from 1 October 2020.

Premium Rates of Pay and Allowances (including Fixed Allowance Restoration)

6. Premium rates of pay payable in respect of or subsequent to 1 October 2020 which are calculated as specific percentage or specified proportion of basis salary should be calculated by reference to the revised rates of pay with effect from 1 October 2020.
7. Allowances which are calculated as a specific percentage or specified portion of basic pay will be recalculated by reference to the revised rates of pay with effect from 1 October 2020.

On 1 October 2020:

Fixed allowances which are not calculated as a specific percentage or specified proportion of basic salary will be restored to their monetary value as of 31 December 2009.

Note that this measure relates solely to fixed allowances which were in payment on 1 January 2010 **and** which were cut by either 5% or 8% under the Financial Emergency Measures in the Public Interest (No. 2) Act 2009 **and** which continue to be paid as fixed allowances separate to basic pay.

Any new allowances introduced after 1 January 2010 will not be increased under this Circular.

It should be noted that certain allowances for new beneficiaries were abolished with effect from 1 February 2012 and their appearance in the attached pay scales does not confer an entitlement to the allowance where the staff member was not already entitled to the allowance.

Overtime

8. Payment in respect of overtime for eligible grades rendered on or after 1 October 2020 should be calculated by reference to the revised rates of pay with effect from 1 October 2020.

Enhanced Controls in relation to Terms and Conditions of Employment with effect from 30 November 2015 - Recovery of Overpayments

9. Employers are reminded that the Ministers and Secretaries (Amendment) Act 2011 has been amended under the FEMPI Act 2015 to introduce enhanced controls in relation to terms and conditions of employment agreed between public servants and their public service body employers with effect from 30 November 2015. The relevant sections of the Act are included at Appendix 2 to this Circular.

Anomalies

10. Where the operation of the increases set out in this Circular results in the basic salary of a public servant being higher than the basic salary applicable to the next immediate point on the pay scale (or any higher point), this should be notified to the Department so that the anomaly can be addressed.

Off-Scale Salaries

11. The restoration of Haddington Road Agreement/ FEMPI Act 2013 pay reductions set out above should only be applied to staff on an off-scale salary where that salary was subject to the Haddington Road Agreement/ FEMPI Act 2013 pay reductions.
12. Any queries regarding anomalies identified or other matters in relation to this Circular should be forwarded by email to esr@education.gov.ie.
13. I would be grateful if you could bring this letter to the attention of the Institutes of Technology and the Dublin Institute of Technology in order to allow them the maximum time to prepare for these changes.

APPENDIX 2

Section 12 of the Financial Emergency Measures in the Public Interest Act 2015 Amendment of Ministers and Secretaries (Amendment) Act 2011

The Ministers and Secretaries (Amendment) Act 2011 is amended by the insertion of the following section after section 16:

“Control of terms and conditions of public servants

16A. (1) Where—

- (a) the Minister has approved a term or condition as being a term or condition that shall apply for the time being in respect of the employment of a class or category of public servant (whether that approval takes the form of an approval as such, any other form of sanction or the giving of consent by the Minister to a decision of another person in the matter), and
- (b) a contract of employment in respect of a public servant falling within that class or category is entered into that contains a term or condition that corresponds or is equivalent to the term or condition standing so approved but which is more favourable to the public servant than that term or condition,

the contract shall have effect as if the term or condition standing so approved (referred to in subsections (2) and (3) as the ‘approved term or condition’) were substituted for the first-mentioned term or condition in paragraph (b) (referred to in subsections (2) and (3) as the ‘unapproved term or condition’).

(2) Any amount paid to the public servant concerned in purported compliance with the unapproved term or condition that is in excess of the amount payable to the public servant under the approved term or condition shall be disregarded for the purpose of calculating any pension entitlement (including an entitlement to a lump sum and an entitlement to periodic payments of pension) of that public servant.

(3) Where an amount is paid to the public servant concerned in purported compliance with the unapproved term or condition that is in excess of the amount payable to the public servant under the approved term or condition then—

- (a) the public servant shall hold the overpayment in trust for the public service body, and
- (b) the public service body shall recover the amount of the overpayment from the public servant, either directly or by a deduction taken from remuneration subsequently payable to that public servant or otherwise.

(4) Where—

- (a) a contract of employment is entered into in respect of a public servant, and
- (b) the contract contains a term or condition in relation to remuneration that does not correspond or is not equivalent to any term or condition standing approved by the Minister in respect of the employment of a class or category of public servant into which the first-mentioned public servant falls (whether that approval

takes the form of an approval as such, any other form of sanction or the giving of consent by the Minister to a decision of another person in the matter), the term or condition shall be void.

(5) Any amount paid to the public servant concerned in purported compliance with a term or condition voided under subsection (4) shall be disregarded for the purpose of calculating any pension entitlement (including an entitlement to a lump sum and an entitlement to periodic payments of pension) of that public servant.

(6) Where an amount is paid to the public servant concerned in purported compliance with a term or condition voided under subsection (4) then—

(a) the public servant shall hold the amount in trust for the public service body, and

(b) the public service body shall recover the amount from the public servant, either directly or by a deduction taken from remuneration subsequently payable to that public servant or otherwise.

(7) Subsections (3) and (6) shall not be taken as limiting the liability under statute of any person to account for such overpayment.

(8) Where an amount to which subsection (3) or (6) relates has not been recovered by the public service body concerned, the Minister may direct in writing that body to recover, by a specified date, the amount in accordance with subsection (3)(b) or (6)(b), as the case may be, and, where that body fails to so recover the amount, the Minister may deduct the amount from any grant or vote of, or other payment to, that body out of money provided directly or indirectly by the Oireachtas or from the Central Fund or the growing produce of that Fund.

(9) This section applies to a term or condition agreed after the commencement of section 12 of the Financial Emergency Measures in the Public Interest Act 2015.

(10) This section has effect notwithstanding—

(a) any other enactment,

(b) any pension scheme or arrangement,

(c) any other agreement or contractual arrangement, or

(d) any understanding, expectation, circular or instrument or other document.

(11) In this section—

“public servant” means a person who is employed by, or who holds any office or other position in, a public service body;

“remuneration” means emoluments to which Chapter 4 of Part 42 of the Taxes Consolidation Act 1997 applies or is applied.”.
