

Online Exams - Frequently Asked Questions

How does an online examination work?

Online examinations are best sat in the student's own home, in a quiet room where people don't have access. It is required that students:

- Take the exam on a desktop computer or laptop using Chrome
- Have a working USB wide angle and a working microphone
- Internet speed must be at least 2 Mbps download and 2 Mbps upload.
Determine internet speed by running a test at:
