

Audit of Validated Programmes

Programme Code	Programme Title	Validation Panel Date:
SG EGTEC M09	Master of Engineering in Geotechnical Engineering with Structural Engineering	20 th Nov. 2020
SG ESTRU M09	Master of Engineering in Structural Engineering with Geotechnical Engineering	20 th Nov. 2020

Attendance: Dr Aodhmar Cadogan - Assistant Registrar, Gemma Lyons – QA Administrator Compliance

Head of Department, Trevor McSharry

Programme Team (if attending):

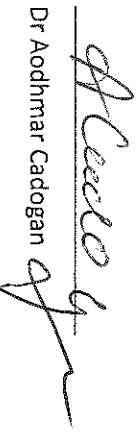

Date of Audit: **08 Sep. 2021**

Conditions	Response to Conditions	Evidence of revised documentation presented.	Outstanding issues
None		Attachment, Link to module etc.	

Recommendations	Response to recommendations	Evidence of revised documentation presented.	Outstanding issues
1. On page 4 of Vol One the Keys Skills section mentions 'The ability to apply creative problem solving approaches to Geotechnical and Structural Engineering applications in	Programme documentation updated in line with recommendation.	Attachment, Link to module etc. AMM checked.	None, closed

Recommendations	Response to recommendations	Evidence of revised documentation presented. Attachment, link to module etc.	Outstanding issues
line with national and European standards' In light of the international profile of potential students consider reviewing and broadening this statement.			
2. Correct the formatting of the characters in the modules in AMM if possible e.g. Geotechnical Engineering II, Indicative syllabus point 5 / assessment strategy last paragraph and Literary resources.	AMM entries updated and extra characters removed.	AMM checked.	None, closed
3. In the teaching and learning strategy ensure that the statements address both full time and part time learners separately, or are adapted to more generic statements. See example in Geotechnical Engineering I.	Text in Teaching and Learning Strategy updated to : This module will consist of lectures supported by tutorials/design classes, and learning through group and individual projects to further develop expertise in topics. The lectures will be recorded and made available to the learners through Moodle. Workshops will also be used to bring online learners together for special lectures or design workshops.	AMM checked.	None, closed

All recommendation reviewed by the Assistant Registrar and this concludes the QA process.
