Academic Writing and Maths Support

- Moving into Higher Education places different demands on your literacy levels and competencies. At this level you are being given the opportunity to expand and develop your writing and mathematics skills.
- Different programmes have demand different standards from your writing skills.
- To help you develop, identify and capture information we have two different services aimed at helping you and to guide you at every step of the way.
- Learning how to navigate these aspects of your learning can be a great stress buster! Saving you time and energy.

Academic Writing Centre

- The AWC is free and open to all ATU Sligo Students.
- AWC can help support students to develop and improve their academic writing skills.
- It offers students access to free online resources to help support, develop and guide you in your studies.
- Visit www.atu.ie/sligo-writing-centre to book 1:1 onsite or virtual sessions with John or Aoife.
- Location: Library Ground Floor (**Block A**)

Maths Support Centre

- The MSC provides support and offers free guidance to all students needing help with mathematical aspects of their programme.
- The MSC can provide 1:1 onsite and online sessions. They also provide free maths related information and downloads to science, business and engineering students via Moodle.
- You can drop into the Maths Support Centre located on the ground floor in the Library.
- For private sessions appointments must be booked in advance.
- Contact mesc.sligo@atu.ie to find out more
- Location: Library Ground Floor (**Block A**)

Yeats Library

- The Yeats Library is centrally located within the Main Campus at ATU Sligo.
- The library provides resources and study spaces to help you with your studies.
- Staff are on hand to provide information and guidance on how to use the different free resources available to you as an ATU Sligo student.
- You will need your student number to access the services and resources of the library.
- To sign up and find out more [click here](#)
- Location: **Blocks A and B (Main Entrance)**

International Office

- The International Office offers information, guidance and support to registered ATU Sligo students who might want to study abroad as part of their educational experience.
- The International Office also supports student coming into ATU Sligo from other countries, creating a vibrant international community on campus.
- To make contact with the International Officer [click here](#)
- To find out more [click here](#)
- Location: **Block B**

Student Success Office

- Dr. Perry Share is the Head of the Office for Student Success.
- The Student Success Office works closely with Atlantic Technological University Departments working to deliver a more enhanced student experience for potential and existing students to succeed in their studies.
- The Student Success Office helps to identify key strategies and actions across the university and looks closely at issues that affects student success such as progression, retention, student experience, academic integrity and more.
